

# SQA Higher Computing Science 2025 — Question Index

This table lists all 18 questions from the 2025 Higher Computing Science paper, renamed by topic according to the course structure used on StemInteract.uk.

| Question                      | Topic                                           | Filename                                                |
|-------------------------------|-------------------------------------------------|---------------------------------------------------------|
| Computer Systems              | Data Representation                             | C-D-2025-CpSc-H-Q1-ComputerSystems-DataRepresentation.  |
| Computer Systems              | Security Risks, Precautions and Legislation     | C-S-2025-CpSc-H-Q2-ComputerSystems-SecurityRisksPrecau  |
| Software Design & Development | Implementation (Algorithm Specification)        | S-IA-2025-CpSc-H-Q3-SoftwareDesignAndDevelopment-Imple  |
| Software Design & Development | Development Methodologies                       | S-DM-2025-CpSc-H-Q4-SoftwareDesignAndDevelopment-Deve   |
| Computer Systems              | Computer Architecture and Fetch–Execute Cycle   | C-C-2025-CpSc-H-Q5-ComputerSystems-ComputerArchitecture |
| Computer Systems              | Data Representation                             | C-D-2025-CpSc-H-Q6-ComputerSystems-DataRepresentation.  |
| Software Design & Development | Implementation (Data Types and Structures)      | S-ID-2025-CpSc-H-Q7-SoftwareDesignAndDevelopment-Imple  |
| Software Design & Development | Implementation (Data Types and Structures)      | S-ID-2025-CpSc-H-Q8-SoftwareDesignAndDevelopment-Imple  |
| Software Design & Development | Testing                                         | S-T-2025-CpSc-H-Q9-SoftwareDesignAndDevelopment-Testing |
| Database Design & Development | Implementation using SQL                        | D-I-2025-CpSc-H-Q10-DatabaseDesignAndDevelopment-Imple  |
| Database Design & Development | Entity–Relationship Diagrams and Data Modelling | D-E-2025-CpSc-H-Q11-DatabaseDesignAndDevelopment-Entit  |
| Database Design & Development | Implementation using SQL                        | D-I-2025-CpSc-H-Q12-DatabaseDesignAndDevelopment-Imple  |
| Database Design & Development | Implementation using SQL                        | D-I-2025-CpSc-H-Q13-DatabaseDesignAndDevelopment-Imple  |
| Web Design & Development      | Testing                                         | W-T-2025-CpSc-H-Q14-WebDesignAndDevelopment-Testing.p   |
| Web Design & Development      | Implementation using HTML, CSS and JavaScript   | W-I-2025-CpSc-H-Q15-WebDesignAndDevelopment-Implemen    |
| Web Design & Development      | Implementation using HTML, CSS and JavaScript   | W-I-2025-CpSc-H-Q16-WebDesignAndDevelopment-Implemen    |
| Web Design & Development      | Implementation using HTML, CSS and JavaScript   | W-I-2025-CpSc-H-Q17-WebDesignAndDevelopment-Implemen    |
| Web Design & Development      | Implementation using HTML, CSS and JavaScript   | W-I-2025-CpSc-H-Q18-WebDesignAndDevelopment-Implemen    |
