

STEM Interact – Biology Pages: Student Feedback Checklist

Purpose:

We ' re improving the Biology section of StemInteract.uk. Please explore a few topics and tell us what works well and what could be clearer.

Navigation & Structure

- It ' s easy to find my course section (e.g. Metabolism and Survival).
- Each topic page clearly shows which questions belong to it.
- The difference between Question, PDF (Solution), and Video buttons is clear.
- Question number = the question itself.
- PDF = the full worked solution.
- Video = narrated walkthrough.
- Page layout and buttons look tidy and consistent on my phone/tablet.

Content Quality

- The worked solutions are easy to read on an iPhone screen.
- Diagrams or sketches help me understand what ' s going on.
- The revision tips are useful and short enough to scan quickly.
- File names and question numbers make sense (year, paper, question, topic).

Usability & Impressions

- Pages load quickly and display correctly in both Light and Dark Mode.
- Links all open correctly (no “ file not found ” errors).
- Text size and spacing feel comfortable for revision reading.
- The site looks professional and easy to trust as a study aid.

Suggestions

- Anything confusing or missing.
- Ideas for new features (e.g. quick topic search, glossary, dark-mode toggle).
- Any page or file that didn ' t open properly.

Overall

How confident would you feel using StemInteract.uk for exam revision? (1 = not confident, 5 = very confident)
